WisRef.GameOfficials.net is a complete Course Management and Registration system for United States Soccer Federation registrations. This system allows state associations to easily manage the entire process of registering Referees, Assessors, Assignors, and Instructors with USSF. We can help you greatly simplify course setup, course registration / payment, assignment of instructors, and post-course management. Best of all, there is no need to mail in registration forms to USSF. Individual registration entries will be sent electronically in a USSF approved format.

In addition to our Course Management and Registration system, we also offer a complete online assigning solution for virtually any team sport - designed for all levels of assigning (including recreational, amateur, high school, collegiate, intramural, and more). It was specifically written for Soccer, Baseball, Softball, Football, Basketball, Volleyball, and Hockey, but can easily be adapted for use by other team sports as well. Referee Uniform

The official provider of referee uniforms is Official Sports (<http://officialsports.com>). If you ever do high level games, you are required to wear an official sports uniform. For lower level games, you can wear some of the off-brand clothing (from score sports, kwik goal or other companies).

At a minimum, you need:

- 1 Yellow USSF Economy shirt (short or long sleeve)
- 1 USSF Black Economy shorts
- 1 pair of USSF Economy Soccer Socks
- 1 Complete Data Wallet
- 1 Basic Flag Set
- 1 Whistle
- 1 Velcro patch
- 1 black bag
- 1 pair of predominantly black shoes (turf shoes are recommended)
 - It will be cheaper to search for a shoe on clearance than get the ones at Official Sports.

If purchased individually – the items excluding the shoes will cost over \$78. You can buy an 11-piece starter kit that includes all those items for about \$60.

Recommended:

- A second shirt (color green) – strongly recommended
- A second pair of socks
- A second set of shorts

Note: you can get the 7-piece starter kit for less than those items individually and then also have a backup whistle, cards and Velcro patch.
